

~~CONFIDENTIAL~~

Chief, Intelligence Information Staff

15 August 1957

Chief, Shipbuilding Branch

25X1X6

Requirements on [REDACTED]

It is requested that the following requirements be served on the subject source.

1. Describe and locate all shipyards in area of Sevastopol, Sukhumi, and Poti and indicate new construction or expansion since World War II. (If security will permit, overlays of USAF Target Mosaics would be helpful.)

2. Indicate controlling Ministry for each shipyard.

3. List all types of work performed in each shipyard, i.e. ships under construction, repair, overhaul, newly-constructed vessels fitting-out, tests and trials, and the like.

4. Did source observe or have information on any conversion or new construction of guided missile submarines or surface ships.

5. Is any material used in the manufacture of guns, fire control, optics, etc. imported from other Bloc or non-Bloc countries.
